

Nexus Assessment Directory

Renske Gudde

Table of contents

Suggested citations for the SPM, chapters and full report	2
Full report	3
Summary for policymakers	3
Chapters	3
Chapter 1. Introducing the nexus	3
Chapter 2. Status and past trends of interactions in the nexus	3
Chapter 3. Future interactions across the nexus	3
Chapter 4. Policy and sociopolitical options across the nexus that could facilitate and accelerate the transition to a range of sustainable futures	4
Chapter 5. Options for delivering sustainable approaches	4
Chapter 5.0. Options for delivering sustainable approaches - Introduction	4
Chapter 5.1. Options for delivering sustainable approaches to biodiversity conservation, restoration and sustainable use	4
Chapter 5.2. Options for delivering sustainable approaches to water	4
Chapter 5.3. Options for delivering sustainable food systems	5
Chapter 5.4. Options for delivering sustainable approaches to health	5
Chapter 5.5. Options for delivering biodiversity-related approaches to climate change, adaptation and mitigation, including relevant aspects of the energy system	5
Chapter 5.6. Options for delivering sustainable approaches - Synthesis	5
Chapter 6. Options for delivering sustainable approaches to public and private finance for biodiversity-related elements of the nexus	5
Chapter 7. Summary and synthesis of options, knowledge and technology gaps and capacity development	5
Glossary	6
Underlying bibliographic data and research materials	6
Linked Open Data	6
ILK Dialogue Workshop Reports	6
Scoping report	6

Last Updated: 7th of September, 2026

doi: 10.5281/zenodo.22095607

This page is designed to help navigate through all the documents of the nexus assessment, such as the data management reports, figures and all accompanying documents.

Suggested citations for the SPM, chapters and full report

- [Suggested citations](#)

Full report

- [Full report](#)

Summary for policymakers

- [SPM](#)
- Translations of the SPM in [Arabic](#), [Chinese](#), [French](#), [German](#), [Russian](#), [Spanish](#)

Chapters

Chapter 1. Introducing the nexus

- [Chapter 1](#)
- [Figures, tables and captions](#)

Chapter 2. Status and past trends of interactions in the nexus

- [Chapter 2](#)
- [Figures, tables and captions \(not yet available\)](#)
- [Data management report 1 - Systematic literature review](#)
- [Data management report 2 - Analyses to assess trends of nexus elements, direct and indirect drivers](#)
- [Data management report 3 - Systematic literature review - indicators of drivers of change in nexus elements for Indigenous Peoples and local communities](#)
- [Data management report 4 - Overlay analysis of spatially explicit data on status and trends on nexus elements](#)
- [Data management report 5 - Trends in indirect drivers: impacts on trends in direct drivers and the associated impacts on the status and trends of nexus elements](#)
- [Data management report 6 - Figure on number of deaths attributable to all forms of pollution](#)

Chapter 3. Future interactions across the nexus

- [Chapter 3](#)
- [Figures, tables and captions \(not yet available\)](#)
- [Data management report 1 - Review of scenarios and allocating scenarios to entry points](#)

Chapter 4. Policy and sociopolitical options across the nexus that could facilitate and accelerate the transition to a range of sustainable futures

- [Chapter 4](#)
- [Figures, tables and captions \(not yet available\)](#)
- [Data management report 1 - Systematic literature review for section 4.3](#)
- [Data management report 2 - Identifying and assessing cross-cutting decision-support tools](#)
- [Data management report 3 - Literature review for section 4.2](#)

Chapter 5. Options for delivering sustainable approaches

- [Compilation of all chapter 5s](#)
- [Data management report 1 - Response option scoring](#)
- [Data management report 2 - Governance figures](#)
- [Data management report 3 - Response option support for global policy frameworks](#)

Chapter 5.0. Options for delivering sustainable approaches - Introduction

- [Chapter 5.0](#)
- [Figures, tables and captions \(not yet available\)](#)

Chapter 5.1. Options for delivering sustainable approaches to biodiversity conservation, restoration and sustainable use

- [Chapter 5.1](#)
- [Figures, tables and captions \(not yet available\)](#)
- [Data management report 1 - Analysis to characterize actors involved in response options and actor network analysis](#)
- [Data management report 2 - Literature review and identification of response options](#)
- [Data management report 3 - Figure 5.1.5](#)
- [Data management report 4 - Figures 5.1.16, 5.1.17 and 5.1.18](#)

Chapter 5.2. Options for delivering sustainable approaches to water

- [Chapter 5.2](#)
- [Figures, tables and captions \(not yet available\)](#)
- [Data management report 1 - Methodology to cluster response options](#)

Chapter 5.3. Options for delivering sustainable food systems

- [Chapter 5.3](#)
- [Figures, tables and captions \(not yet available\)](#)

Chapter 5.4. Options for delivering sustainable approaches to health

- [Chapter 5.4 \(not yet available\)](#)
- [Figures, tables and captions \(not yet available\)](#)

Chapter 5.5. Options for delivering biodiversity-related approaches to climate change, adaptation and mitigation, including relevant aspects of the energy system

- [Chapter 5.5](#)
- [Figures, tables and captions \(not yet available\)](#)
- [Data management report 1 - Initial response option selection and assessment](#)
- [Data management report 2 - Figure 5.5.8](#)

Chapter 5.6. Options for delivering sustainable approaches - Synthesis

- [Chapter 5.6](#)
- [Figures, tables and captions \(not yet available\)](#)

Chapter 6. Options for delivering sustainable approaches to public and private finance for biodiversity-related elements of the nexus

- [Chapter 6](#)
- [Figures, tables and captions \(not yet available\)](#)
- [Data management report 1 - Nature-positive financial flows figure](#)
- [Global biodiversity finance flows and the nexus \(GitHub repository\)](#)

Chapter 7. Summary and synthesis of options, knowledge and technology gaps and capacity development

- [Chapter 7](#)
- [Figures, tables and captions \(not yet available\)](#)
